- 11 Information received by fax is fast and sometimes necessary, but anything you send by fax should be backed up with original copies in the mail. Fax paper is sometimes not to easy to read and is more difficult to save.
- 12 The hotel forms are for the actual bookings when you have had your Zone roll-offs and can complete all the information required. Not all rooms are required for the same length of time so an extra column was added to the form so you can mark the dates each room is required for. Keep in mind hotels only have so many rooms with two beds so only book "doubles" when necessary. That way everyone will get the rooms they require. Don't forget if you have any changes to your hotel bookings (cancellations, etc.) let the hotel know as soon as possible. They are holding the rooms until February 28 and after that you will be billed for whatever you booked unless you notify them.

Another reminder to ALL ZONES ----- Any damage done in or to the rooms you rent will be and is the responsibility of the registered guest in that room !!!!!!!!!

- 13 **PERFECT GAME POOL is currently sitting at \$11370.00**
Cost to enter is \$20.00 - to be collected by coaches and turned in prior to bowling.
If there is no perfect game during the team round robin, 25% of this year's money will be paid to the highest single game.
